Fees & Financial Policies

Registration Fees: The registration fee covers annual administrative costs. For Humanities students, this includes the cost of the student's books for the year. Math and Science students must purchase their own books. All non-consumable books will remain the property of Veritas Classical School. Students will retain all consumable books and materials. The registration fee is non-refundable.

Tuition: Tuition is divided over nine months and is due the first week of each month of the school year (Sept. - May). A late fee will be assessed if tuition is not received by the 10th of the month.

Early Payment Discount: We offer discounted humanities tuition if you pay the annual amount by September 1st. (Note: This discount applies to the first student enrolled.)

Multiple Student Discount: A discount per additional student is offered to families with multiple children participating in humanities.

Payments: Checks should be made payable to "Veritas Classical School." Payments should be mailed to: Veritas Classical School, P.O. Box 195, Baileyton, AL 35019

Withdrawal Policy: Written notification of withdrawal is required thirty days in advance.

Financial Obligation: Once a student begins a semester, parents are obligated to pay for the entire semester. We base our budget and teacher salaries on enrollment. Your financial commitment is critical to planning for and meeting these costs.
